THE MUMMY CASE OF 1947

Yearbook of

UNIVERSITY HIGH SCHOOL

Carbondale, Illinois

DEDICATION

With a great deal of pleasure the Mummy Case Staff of 1947 dedicates this yearbook to Mr. John D. Mees.

Coming to University High as a new principal this year, Mr. Mees has made himself a real part of the school. Through his friendship and counsel, he has won the respect and admiration of the entire student body and faculty. His progressive attitude has created a spirit of co-operation.

Striving always for the betterment of the school, Mr. Mees has done much toward bringing about advancement at University High. His enthusiasm, encouragement, and efficiency have made him a popular and indispensable supervisor for the high school.

Student Council

President.....Joe McLafferty
Vice-President.....Dorthy Paterson
Secretary.....Grace Fulkerson

The Student Council of University High School is composed of ten members. Two representatives are elected from each of the following classes: freshman, sophomore, junior, and senior; one representative is elected from the seventh grade and one from the eighth grade. These people are required to have a "B" average.

The Student Council usually meets every two weeks; however, if there is a pressing problem to be settled, a special meeting is called.

Dr. William Neal Phelps sponsored the Student Council during the first part of the year. Under his direction the council planned and promoted the Homecoming activities. They appointed faculty members and students to work on various committees. Also under the supervision of Dr. Phelps the council officers made a trip to Ava High School for the purpose of helping them organize a Student Council.

When Dr. Phelps resigned to be head of the Physical Plant, Mr. R. J. Fligor took over all his duties, including the sponsoring of the Student Council. Under the sponsorship of Mr. Fligor the council members undertook other worthwhile activities. Among these were the following: they took charge of the lost and found department; they were responsible for four all-school parties; they sent three representatives to the Illinois Association of Student Councils convention in Chicago; they sold lunches in the gym at noon to help those people who wished to stay for the noon hour recreation period.

The Student Council has considered a number of other activities for the betterment of the school in the future.

Starting as a rather new and inexperienced group this year, the Mummy Case staff has worked very hard to edit the yearbook for 1946-47.

Working against time, the staff has given many after-school hours to bring University High a yearbook. Mummy Case meetings were held each Wednesday afternoon at four o'clock for discussion and assignments. The staff members were very co-operative in doing tedious but necessary tasks.

Miss Louise Bach, sponsor of the Mummy Case, has done an excellent work in guiding and supervising the staff. Mr. C. A. Gross served as consultant at various times during the year.

This year the staff was privileged to attend the press conference at Harrisburg, Illinois. At this meeting much new and valuable information was gained.

The financial problems of the Mummy Case were well-handled by a capable and hard-working business staff sponsored by Mr. Morris Simpson. This group took their tasks seriously and more than met the stipulations of their appointed job.

Lettermen's Club

President.....Jim Renfro
Vice-President.....Bob Reinhardt
Secretary.....Wallace Sisk

A University High Lettermen's Club was organized this year under the sponsorship of Coach Frank Bridges. This was the first year that University High has had such an organization. All boys who have earned letters in University High sports are eligible for membership in the club.

An initiation was held after the awarding of basketball letters for the 1946-47 basketball season for boys who had not previously earned athletic letters. In addition the club sponsored a few school parties near the end of the school year.

One of the chapter, Joe MacLafferty, has participated in three state track meets as a miler and has also gone to state in cross-country. Bob Reinhardt and Jim Renfro were named on the Coal-Belt Conference All-Star Basketball Team.

Sphinx

Sports Editors.....Jim Pitkin, Charles Dickerman

Under the sponsorship of Miss Louise Bach, the Sphinx Staff of 1946-47 was organized in September. Students applied for positions on the staff; a faculty committee consisting of Mrs. Evelyn Rieke, dean of girls; Dr. Neal Phelps, dean of boys; and Miss Louise Bach, considered the applications and appointed the staff.

The newspaper was published semi-monthly with a few exceptions. The staff met each Thursday afternoon from 4 to 5 o'clock in room 303 of the Allyn building. One week the meeting was given over to assignments and instruction in journalism, and the following meeting was used for preparing copy, editing, and making up the paper.

Although the staff was rather small this year, its efficiency was demonstrated by the quality of the contents of the paper.

In November, five of the staff members and their sponsor attended the annual meeting of the Southern Illinois High School Press Conference at Harrisburg.

Egyptian Experimenters

President.....Bill Wakeland

Vice-President.....Grace Fulkerson

Secretary.....Marilyn Nelson

The Egyptian Experimenters continued their excellent work this year under the sponsorship of Mrs. Elsie McNeill, Mr. C. A. Gross, and Mr. J. D. Mees. The club met every Monday night in Allyn 105, the science classroom. The science club gave several very interesting programs during the year, featuring many prominent members of the campus faculty. Other programs presented included talks by club members and movie sessions in the Parkinson Laboratory film room. The members worked hard on their projects and produced many well-organized exhibits. Some of the club members participated in the Junior Academy of Science meeting for the State of Illinois, held in Peoria in May.

The Egyptian Experimenters gave a party in honor of their former club sponsor, Mrs. Audrey Lindsey, early in the school year. This group was also responsible for the presentation of a chemistry and physics show before the assembly; this exhibition was highlighted by a liquid-oxygen demonstration.

Modern Dance

The modern dance club, under the supervision of Miss Zita Spradling and directed by Miss Nell Bradley and Miss Barbara Melvin, has been able to organize as one of University High's Athletic Clubs of the year.

This club presented a program to the entire student body in which they showed the fundamental exercises necessary in preparation to continue with the regular dance routines. They also gave their first original composition; after many practices with various ideas presented by the group, they completed this composition—"Chop Sticks." All of the girls wore dance costumes trimmed with white. Eight girls represented the treble clef piano keys which were used in the music, and two girls represented the bass clef piano keys which are also used in the music. As the pianist played "Chop Sticks", each dancer acted as her particular note was played. Two girls wearing white gloves acted as directors, and each person moved as the director indicated.

Miss Nell Bradley acted as mistress of ceremonies and explained the various routines which the club demonstrated. In appreciation the dance group and the directors received flowers from their supervisor, Miss Spradling; this completed their program. However, this did not conclude the work of this club. They met two days a week with the regular seventh hour physical education class; special meetings were called by the directors for after-school practice when necessary. In addition to the routines given in the assembly program, the club composed other numbers. Some of these were Nursery Rhymes, actions to the girls' various names, and songs such as Negro spirituals. Although this group has just been recently organized, they have gained much recognition and praise for their original compositions.

Dancing Club

President.....Peggy Ellis

Vice-President.....Bob Bain

Secretary.....Virda Sill

The Dancing Club, under the sponsorship of Miss Zita Spradling and Mr. Chalmer Gross, was organized a few weeks before Homecoming last fall for the purpose of teaching dance steps to those students who did not know how to dance; moreover, it offered other students an opportunity to practice.

Each day at 12:20 p. m. this club met in the gymnasium for directions, with Miss Spradling instructing the girls and Mr. Gross helping the boys to learn new steps. After the directions the students practiced the steps together.

After the Homecoming events, the club was discontinued temporarily. The noon recreation hour, where all students may dance, box, play ping-pong, checkers, shuffle-board, cards, or shoot baskets, succeeded the dancing club. The Dancing Club resumed its meetings shortly before the Junior-Senior Prom in order to help students to improve their dancing techniques.

This organization has one all-school party to its credit, given after a basketball game in the old gymnasium. Dancing and games were provided and refreshments were served.

This club has been a great help to many of University High's students in developing their social dancing.

Dramatics Club

President.....Jeanne Lloyd
Vice-President.....Virda Sill
Secretary.....Grace Fulkerson

This is the first year the dramatics club has been active since 1945, due to the absence of its regular director, Mrs. Evelyn Rieke. It has three plays to its credit since the first of the school year.

The first was a three-act play, "Good Neighbors", directed by Mrs. Rieke and presented as the homecoming play on October 28. The plot concerned two criminals who came to a small town hotel with a suitcase full of counterfeit money and hardened hearts. Before the curtains fell their hearts softened, and their criminal instincts departed, and they became trustworthy and much-liked citizens. To help make a happy ending, the young maiden and the old maid succeeded in getting themselves a man, and a homeless young girl found a loving home and mother.

The next two plays were one-act plays presented in the assembly on March 4. The first one given was "Orchids for Marie", directed by Mrs. Rieke. It was about a boy just back from college who found a small high school town boring. The other play, "When Two Becomes One", was directed by Mr. Morris Simpson. This was a mock wedding, joining two of the high school students in comical matrimony. The costumes and lighting perfected the loveliness of the bride and the bashfulness of the groom. The white adorned bridesmaids carried bouquets of lettuce and carrots. The wailing families of the bride and groom preceded this procession and made quite a fuss about the wedding.

This is the second year that University High has had a home economics club. This club has been very active during the year under the supervision of Miss Helen Starck instructor of home economics.

The club had several refreshment booths at all-school parties, held concessions at basketball games, and served noon-hour lunches in the gymnasium. Proceeds from the above activities will be used to enable the club to send two representatives to the state Future Homemakers of America camp, which is to be held in Bloomington, Illinois, this summer.

Several parties have been sponsored during the year for club members and their guests. The first one consisted of a skating party with the Future Farmers of America at University High; the boys treated the girls to refreshments after the skating party. The F.H.A. members also held a joint party with the G.A.A. club. At Christmas, the members exchanged gifts.

Other activities which this club had were a taffy pull and a sewing party. The Mother-Daughter banquet was classed as the high point of the club year. All members of the club and their mothers participated in this. The banquet was held in the foods laboratory dining room. Flowers were presented to the mothers.

This club, which has made great progress this year, hopes to continue as one of the active organizations of University High School.

Foreign Language Club

President.....Grace Fulkerson
Vice-President.....Johnny Hill
Secretary.....Teresa McLafferty

French, Spanish, and Latin students were very much gratified when Mrs. Evelyn Rieke returned this year to sponsor the Foreign Language Club.

The organization held its usual rather humorous Roman Banquet, complete with all the trimmings. Ham, onions, and beans were enjoyed by all. At this very impressive dinner several new students were ushered into the club with the pomp and ceremony common only to the Romans.

The Spanish class also had a party which was made more enjoyable by the breaking of a Mexican pinata. The remaining programs of the year were given over to movies, guest speakers, and presentations by the various language classes.

Attractive Phi Kappa Beta Foreign Language club pins were received by several members.

The Language Club had not met the previous year due to the lack of a sponsor. Mrs. Rieke, the regular sponsor, was away on leave of absence to do graduate study at the University of Illinois.

The Girls' Athletic Association, under the sponsorship of Miss Zita Spradling, physical education teacher, started the year with an informal initiation. This was followed by a formal candlelight ceremony in which the new members took the chapter oath.

Members of this club met every Tuesday at 4 o'clock in the gym, at which time they engaged in various seasonal sports.

This organization, in cooperation with the girls' homemaking club, has sponsored concessions at many all-school parties, games, and at the noon-hour recreation period. Their main social event this year was a "kid party." Everyone who attended the party came dressed as a small child.

The G.A.A. stresses a good health program. All of their members must be in good health and must meet minimum requirements in the way of exercise, wholesome food and sufficient sleep. In order to encourage a better health program, the organization works by point system. Every girl works for points. These are gained by following health rules set up by the club and by participating in various sports. Credit is given for hiking, bicycling and any other individual or group activities. Awards are given at the end of the school year. These letters are based on the number of points the individual has obtained.

The Future Farmers of America, or F.F.A., as it is commonly known, is the national organization of, by, and for boys studying vocational agriculture. As an integral part of the program of vocational education in agriculture, the F.F.A. has become well known in recent years.

A program of work is made at the beginning of each year as a plan for the chapter to follow. The University High chapter, under the direction of Alex Reed, Vocational Agriculture Instructor, has carried out a large part of their program.

They attended the livestock show at Marion and the vegetable and grain show at Vienna last fall. The officers attended the sectional Officers' Training School at Anna.

As one of the co-operative activities, the chapter sold concessions at the S. I. N. U. Homecoming football game for a small percentage of the profit.

A letter system was established in which five boys were awarded letters. The University High chapter has had entries in the public speaking, parliamentary procedure, livestock, and chapter contests.

A box supper was held in order to finance the Parent and Son banquet, which was held in April. This is one of the big events of the year.

Band

Director.....Mr. Charles Paterson

Under the direction of Mr. Charles Paterson, the University High School band has performed at pep meetings, basketball games, and assembly programs throughout the school year. This organization, though small, has proved its worth by the many programs it has presented.

One of the members, Barbara Swartz, attended the camp last summer on a scholarship that is presented to the band each year by the Carbondale Woman's Club. This scholarship is presented to a member of the band who is a worthy musician. In return the person chosen presents a program at one of the meetings of the club.

The main event of the year is the concert presented at the graduation of the seniors.

Mixed Chorus

The mixed chorus, under the direction of Charles A. Paterson, music director of University High and University Grade School, was organized this year with the help of Robert Reinhardt, a junior. Every Friday at three o'clock the boys and girls met in the band room in the Allyn building.

During the week the chorus was divided. The girls met every Monday and Wednesday throughout the year; and the boys, every Thursday.

The girls worked diligently to prepare several programs. Their first one consisted of classical songs and a song composed by their director, Mr. Paterson, which they presented several weeks before Christmas.

Their second program was presented February 21, also in the assembly to the faculty and student body. This was a George Washington cantata, with readings composed by Mr. Paterson.

At the beginning of the second semester, the chorus admitted two new members, Jo Russell, a soprano from West Frankfort, and Elizabeth Chrisman, an alto from Creal Springs.

Mrs. Virginia Sukkel, a Southern Illinois Normal University student, assisted Mr. Paterson in directing the chorus during the spring term.

Sitting—Peggy Ellis, Ann Deitz, Mary Crowell, Lowanda Sanders, Pat Bragg, Dorthy Paterson, Grace Fulkerson, Carolyn Reed, Betty Turner, Norman Doty, Shirley Coleman, Nellie Ebbs, Myrna Presley, Margaret Turner, Marie Zeschke, Ravenia Guest, Barbara Swartz.

Standing—Melvin Ebbs, Bob Franks, Alvin Griffith, Jim Pitkin, John Hill, Jim Hughey, Bill Wakeland, Gene Troutman, Mr. Paterson, Bob Reinhardt, Milton Ewert, Roscoe Crowell, Oliver Grammer, Richard Baker.

Homecoming

Amidst the applause of the Homecoming crowd, Miss Peggy Ellis was crowned Homecoming Queen for 1946-47 by basketball captain, Jim Renfro.

Peggy has led the cheering for all games during the past four years, and the students will miss her winning smile and exuberant spirits in future sports events. She has been active in both band and chorus and has served as president of the Dancing Club for the entire year.

Peggy was elected attendant to the Homecoming Queen the two years previous to this one; thus, her coronation this year climaxed her record. And so we present her majesty—Miss Peggy Ellis.

Basketball Team

Captain.....Jim Renfro

Although only one member of the first five at the beginning of the 1946-47 University High basketball season was a regular starter last year, the Lynxes were able to place third in the Coal Belt Conference Tournament; moreover, they advanced to the semi-finals in the regional basketball tourney, played in the Carbondale Community High gym.

The Lynxes won 13 ball games and lost 14. They gave the Zeigler Purple Tornadoes their first defeat in two years of conference play and marked up wins over every other Coal Belt Conference five. Two of the non-conference losses came at the hands of the strong Murphysboro five, which later was one of the 16 teams participating in the state basketball tourney. The Lynxes also lost two games to the Attucks Bluebirds—one a one-point defeat in which the winning basket was scored in the last eight seconds of the contest, and the other a 42-40 overtime game.

Four of this season's first string are seniors and will be graduated from University High this June, thus putting the Lynxes' 1947-48 basketball hopes into the hands of Bob Reinhardt and Carl Williams, junior members of this year's team. Juniors on the second team are Bobby Frank, John Trobaugh, Jack Humphrey, and Gerald Hunt. The four seniors are Jim Hughey, Bill Jennings, Jim Renfro and Wallace Sisk. Coach Frank Bridges was assisted in his duties by Dick Harmon, a student at S. I. N. U.

Baseball

The University High baseball team opened its fall baseball season with a 7-1 victory over Alto Pass. The Lynxes played five games, winning three and losing two. In addition to Cobden, the Lynxes registered victories over Campbell Hill. Ava and Gorham were the two teams defeating the Lynxes. All five games were played out of town, since the only available baseball diamond was used for the Chautauqua Street veterans' housing project.

Jack Humphrey, Carl Williams, Jim Renfro, Bob Reinhardt, and Bill Jennings contributed the runs in the Lynxes' first game of the season. Thompson was the pitcher for U. High.

The final game of the fall season was played with Campbell Hill. The Hilltoppers had also lost to Gorham and Ava. The Lynxes' 5-2 victory over Campbell Hill was the home team's third loss of the season. Jack Humphrey, Jim Renfro, and Carl Williams scored five runs, and Jack Humphrey's three-hit pitching held the Hilltoppers to two unearned runs.

Junior High Basketball Team

Captain.....Paul Bame

Ten junior high boys received letters for the 1946-47 basketball season. Those winning letters were Bill Phelps, Frank Abbott, Paul Bame, Bill Colvis, Bill McIntyre, Jim Hagler, Duane Schroeder, Jonas Reid, Haddan Davenport, and Earl Piquard.

The seventh and eighth grade junior Lynxes were unable to win a game, but lost some close contests. This squad also was defeated 44-15 by Elkville and 24-11 by St. Andrews of Murphysboro. Paul Bame was high-pointer for the Junior Lynxes with 9 markers. Bame again led in the low-scoring St. Andrews game with 4 for U. High, while Eisenhauer was the leader for St. Andrews.

In the Junior High School District Tournament, the Junior Lynxes lost a first-round game to the Grand Tower five, 37-20. Nelson of Grand Tower accounted for the winning margin with 22 points. He caged 10 field goals and 2 free tosses. Bame was second in the scoring column with 14 points on 5 field goals and 4 free throws. The Junior Lynxes trailed 14-7 at the half. Kuelm was the referee for this game. Mr. Bridges and Dick Harmon coached the Junior Lynxes.

Front Row—Duane Schroeder, Paul Bame, David Larson, Bill Colvis, J. R. Kelly, Bill Phelps.
Second Row—Frank Abbott, Donald Hagler, Jonas Reid, Earl Piquard.
Third Row—Mr. Bridges, Donald Curry, Bill McIntyre, Bruce Nagle.
